Travel information

The nearest airports to Siena are Florence or Pisa.
Florence is 70 Kms and Pisa 100 Kms. Connections from Florence Airport are by bus to Florence Train Station (15 min) and then there are many busses to Siena every 30-60 min, arriving in the Center of Siena, where are located the Hotels.
From Pisa Airport, there is a frequent train to Florence. You have to change to Empoli for a train to Siena (1h,30). From Siena Train Station to Centers, bus or taxi.
SITA run express buses from Florence to Siena, departing from the SITA bus station (approximately hourly). The trip takes an hour and fifteen minutes. Trains are not such a good option, nearly two hours. If you take the train you will need to catch a local bus from the railway station into the heart of Siena.
