

5th International Conference

HUS

& related disorders

Current diagnosis and therapy of
hemolytic uremic syndrome (HUS),
and related disorders

in cooperation with HOROS  doctoral programme

Programme:

Sunday, July 12

13.00 - 18.30 Lectures and Free Communications
18.00 - 20.30 *Welcome reception*

Monday, July 13

08.30 - 17.30 Lectures, Free Communication & Posters
19.00 *Tyrolean Night*

Tuesday, July 14

08.30 - 13.00 Lectures and Free Communications

Congress President: Reinhard.Wuerzner@i-med.ac.at, www.hus-online.at

Deadline for abstracts: June 1st
Registration open: May 1st - June 30th, 2015

Registration fee: EUR 250,00

Resident in training: EUR 150,00

Students: EUR 50,00

In the registration fee included are all meals, coffee breaks, welcome reception and Monday evening gala dinner.

Address of venue:

Congresspark Igls, Eugenpromenade 2, A-6080 Igls, Österreich
☎ +43-512-59360

Hotel accommodation (please mention "HUS-Meeting")

Sporthotel Igls ****, Hilberstraße 17, A-6080 Igls
☎ +43-512-377-241, <http://www.sporthotel-igls.com>

Reduced rate for participants:

Single € 98 (including breakfast and all taxes)
Double € 170 (including breakfast and all taxes)

Eagles Astoria Hotel Igls ****, Badhausstraße 1, A-6080 Igls
☎ +43-512-377-4810, <http://www.eagles.at>

Reduced rate for participants:

Single € 85 (including breakfast and all taxes)
Double € 140 (including breakfast and all taxes)

Hotel Gruberhof ***, Heiligwasserweg 12, A-6080 Igls
☎ +43-512-377-142, <http://www.gruberhof-igls.com>

Reduced rate for participants:

Single € 80 (including breakfast and all taxes)
Double € 100 (including breakfast and all taxes)

Nearest airport: Innsbruck Airport (INN) 10 km, but flights are usually much cheaper to/from Munich Airport (MUC) 190 km - from there take a pre-booked (!) Four-Seasons-Taxi <https://www.tirol-taxi.at> for 70 Euro (return, directly to/from your hotel - mention "HUS" to get the cheap fare).

Sunday, July 12

10:00 – 18:30 Registration open

12:45 Welcome from Innsbruck Medical University
Vice Rector Bandtlow/Würzner

I. Atypical hemolytic uremic syndrome (aHUS)

Chairs: ZZ, YZ

13:00 L1 aHUS - Role of complement, overview
Meri, FI

13:30 L2 aHUS - Role of lectin pathway & coagulation
Garred, DK

14:00 L3 aHUS - Spectrum of mutations
Roumenina, FR

14:30 – 15:00 *Coffee break*

15:00 L4 aHUS – Novel insights into pathogenesis
Licht, CA

15:30 L5 aHUS – Endothelial cell integrity and complement
Riedl, CA

16:00 2 free short communications (FCs)

16:30 – 17:00 *Coffee break*

II. E. coli associated hemolytic uremic syndrome (eHUS)

Chairs: ZZ, YZ

17:00 L6 SPECIAL LECTURE
eHUS & Shiga toxin – the early days
Karmali, CA

17:30 L7 Shiga toxin – from gut to kidneys
Brigotti, IT

18:00 L8 Shiga toxin effects – evidence from animal studies
Obata, JP

18:30 2 FCs

19:00 *Welcome reception at the Congresspark Igls*

Monday, July 13

III. E. coli associated hemolytic uremic syndrome (eHUS) & complement

Chairs: ZZ, YZ

- 08:30 L9 Alternative pathway and podocytes
Morigi, IT
- 09:00 L10 Complement control proteins and coagulation
Orth-Höller, AT
- 09:30 2 FCs
- 10:00 – 10:30 Coffee break

IV. Other HUS forms

Chairs: ZZ, Gerhard Gaedicke

- 10:30 L11 Post transplant HUS – alloantibodies & endothelial injury
M. Stegall, US
- 11:00 L12 BMTx associated thrombotic microangiopathy
S. Jodele, US
- 11:30 4 FCs
- 12:30 - 13:30 Lunch break
- 13:30 Poster Session with desert

V. Clinical courses of aHUS and related disorders – 4 cases

Chairs: N. Van de Kar, NL; XX

- 14:30 4 case reports
- 15:30 – 16:00 Coffee break

VI. C3 glomerulopathy (C3G)

Chairs: ZZ, YZ

- 16:00 L13 C3G – consensus report
M. Pickering, UK
- 16:30 L14 C3G – role of the factor H related family
P. Zipfel, DE
- 17:00 2 FCs
- 19:00 Tyrolean Night at the Sporthotel Igls

Tuesday, July 14

VII. Treatment and monitoring I

Chairs: *ZZ, YZ*

- 08:30 L15 Treatment of aHUS with eculizumab - studies
C. Bedrosian, US
- 09:00 L16 Treatment of aHUS with eculizumab – clinical experiences
C. Loirat, FR
- 09:30 4 FCs
- 10:30 – 11:00 *Coffee break*

VIII. Treatment & monitoring II

Chairs: *ZZ, YZ*

- 11:00 L17 Monitoring eculizumab therapy
M. Noris, IT
- 11:30 L18 Treatment of anti-factor H-associated HUS
A. Bagga, IN
- 12:00 L19 Treatment targeting the complement alternative pathway
C. Harris, UK
- 12:30 2 FCs
- 13:00 – 14:00 *Farewell and lunch*
